HAUNTED HOUSE

You'll need: Scissors, glue, crayons, string

1. Color the house and the roof.
2. Cut out the house and the roof.
3. Fold the roof in half. Use a paper punch to punch out the hole in the top of the roof.
4. Fold the house back on each dotted line.
5. Glue the tabs.   Press the side tab to hold.
6. Set the roof on top.
7. Thread a string through the holes in the roof.
8. Hang your house on a spooky tree branch.
