NICE NEST

You'll need: Scissors, glue stick, & markers

1. Decorate both nest patterns.
2. Cut out on the dark solid line.
3. Fold back on the left and right dotted lines. Unfold.
4. Fold back the center dotted line.
5. Cut each slit from the from the center fold to the dotted line.

6. Use a glue stick to draw a line of glue from top to bottom of the right side strip. Attach it to the strip on the left side.
7. Glue the tab. Curve the paper strip into a circle shape. Tuck in the tab and press to hold.

*Each nest holds one egg.

You can make two nests.
