

# Nice Nests Game

## A Dozen Words with the Letter N

You'll need : 12 "Nice Nests" and 12 plastic eggs

Cut out the word cards and the picture cards. Tape a word to each plastic egg. Place a picture in each nest. Put the matching egg in each nest. Have your child read each word and lift the egg to check their reading.

You can also play a Lotto game. You'll need a paper bag, 8 pennies for player 1, and 8 nickels for player 2. Put the eggs in a bag. Set the nests (with a picture in each) on the table in 3 rows with 4 nests in each row. Players take turns choosing an egg, reading the word, and marking the matching picture with a coin. The first player to get three in a row wins!
