

ORIGAMI CUP

You'll need: Crayons and scissors

1. Color a design on the trapezoid sections of the square below.
2. Cut out the square on the black line.
3. Fold back on the dashed line to make a triangle shape.
4. Fold back on each dotted line.
5. There are two paper triangles above the dot-dash line. Fold one triangle forward. Fold the other triangle to the back. Tuck it into the open flap.

*You can fill your paper cup with water and drink from it.
