

STUDENT STOCKING

You'll need: Scissors, crayons, glue, stapler

1. Cut out both stocking pieces.
2. Draw a glue line around the dotted edge of either stocking piece. Lay the other stocking piece on top and press to hold.
3. Decorate the stocking.
4. Cut out the stocking top. Print your name on the line. Glue it to the top of your stocking.
5. Cut out the circles. Glue them onto your stocking.
6. Fold the stocking hanger in half and staple it to the top
