

WEB ART FRAME

You'll need: Ruler, pencil or black marker, scissors, glue stick

1. Use a ruler to draw a straight line from the #1 dot at the top of the page to the #1 dot at the bottom left of the page.
2. Draw a straight line from #2 dot to #2 dot.
3. Continue to connect each pair of matching dots with a straight line until you've connected every dot.
4. Do the same thing with each pair of numbered squares.
5. Decorate your web art.
6. Cut along the solid black line to separate the instructions from the frame.
7. Use this rectangular strip of cardstock to make a stand for the frame. Fold it in half and glue it to the back of the frame.
8. Glue a picture or photo in the frame.
