

GARDEN POT - WRAPPER & TAG

You'll need: Crayons, scissors, tape, plastic drinking cup, bamboo skewer
(Potting soil & seeds)

1. Print your name on the wrapper. Print the name of the plant you are growing on the tag.
2. Color the tag and wrapper. Cut them out.
3. Wrap the wrapper around a plastic drinking cup. Tape to hold it in place.
4. Fold the tag in half. Tape (or glue) it to the top of a bamboo skewer.
5. Put potting soil and a seed or two in the cup. (*Don't push the seed too far into the soil.)
6. Put the garden tag in the soil.
7. Place your pot near a window. Water the seed with a small amount of water every day.
