

YELLING YARDSTICK

- Color the yardstick pieces and the yelling face.
- Cut out the face and the 6 pieces of yardstick.
- Glue the yardstick pieces together in number order.
- Roll the yardstick around a pencil to make a tight coil. Start at the end of the yardstick 36" and roll to the beginning 0". (Roll the numbers to the inside.)
- Fold down on the dotted line at the beginning of the yardstick. Glue it to the yelling face. Use a paperclip to keep it rolled.
- Use your yardstick to measure things.
