

OWL LANTERN

- You'll need: Crayons, scissors, glue
1. Color the owl lantern. Print your name on the line at the bottom.
 2. Cut out the owl lantern on the solid black line.
 3. Fold the owl lantern in half on the dotted line.
 4. Cut each black line from the fold.
5. Unfold. Curve the owl lantern into a cylinder shape.
 6. Glue the tab. Press to hold. Push down on the owl's head to plump the body.
